## Unfinished business

## New business

Review of the Strategic Plan

In the Strategic Plan the #4 should be #5. The Business Pathways numbering succession should change.

Ongoing data-driven Professional Learning Community should continue

Dr. Jones suggested we flip 6A and 7A

Move 2B to 9B

Two minutes needs to be added to the public comment protocol item #5

The November 15, 2016 meeting will be a Public Comment meeting

Jernigan trained the leadership team on APS' Core Values. The team commented on each of the district's Core Values, Commit to Teamwork, Focus on Communication, Demonstrate Respect for Others, Be Accountable, Act with Integrity and Embrace and Drive Change. Members shared honest dialogue about where BEST Academy is on the growth and development spectrum for each Core Value.

Dr. Roebuck and Mr. Williams shared the Title 1 budget and explained each line item. Dr. Roebuck explained the FLP program how low-performing students are supported by this tutoring program.

The drop in enrollment this year affected the Title 1 budget by a loss in funding.
