Welcome to Hope-Hill Elementary School! I wanted to introduce myself—my name is Angie Lewis and I am your new Parent Liaison. I am so proud to be a part of the Hope-Hill family. I will serve as the bridge between our school, the community and your home. I work as part of the team to ensure your child's academic success. This is going to be a great year!

Parents can find me at the Parent Center, which is located in the Media Center, Room M117. My work hours are Monday-Wednesday and Friday, 10:00 a.m. - 3:00 p.m. You can reach me by calling the front office at 404-802-7450 or by e-mailing at anmlewis@atlanta.k12.ga.us.

The Parent Center is new to the Hope-Hill family and will open its doors on August 27, 2015. Inside the Parent Center, you will have access to four computers and a Lending Library. Computers are available for your use to look for jobs, prepare resumes, search for teaching resources for your child, etc. The Lending Library, which I am most excited about, is full of resources to help you help your student. There are books, flashcards, board games and educational DVDs—all for your use. These items are on a first come, first serve basis and can be checked out for a week at a time.

Parent involvement is needed at any school and at any level for our students to be successful—the goal for our students here is to obtain a higher level of education. Parents who are involved have children who achieve! Our children need us to work with them EVERY night—the Parent Center will be a resource for you! If you have any questions or need anything, please don't hesitate to contact me.

Sincerely,

Angela Lewis
Parent Liaison
