

# High Grades (9-12)

## Odyssey 2017 Dates: June 5th-July 7th

Sharpen your STEAM and STEM skills—without sitting in a desk. Odyssey Transformers build a robot.

Odyssey is a 5-week summer academic enrichment program held on The Westminster Schools campus. Odyssey strives to create an engaging educational environment that gives scholars the ability to excel in the upcoming school year & beyond, while discovering value & excitement in learning. Odyssey actively recruits highly-motivated students lacking in resources.

Odyssey Scholars develop a life-long love for learning that keep more than 80% of our students coming back summer after summer. Odyssey High receive the added benefit of Career Quest\*, college prep & tours, & options for year-round academic mentorship.

Apply online  
free of charge!
